General of Turnitin

- Turnitin –Plagiarism detection is one type of assignment in Moodle.
- After submitting your document, you will usually get a report quickly, max in 10 minutes (and depending on your teachers' settings)
- You can resubmit a new version until the deadline specified by the teacher expires
 - Note: The *new version replaces* allways the old one!
 - If you want to retrieve the old version report, you can print it through the report view
- If you want a quickly guidance from your teacher, send her/him an email (the teacher *does not* get automatically an email about the document you have returned, depeing on your teachers' settings)

At the first time when signing in

- You have to accept the Turnitin Licence Agreement
